

September 2018

ASSISTANCE WITH DISASTER RESPONSE

In August, we discussed the importance of having an emergency action plan so that everyone at each location knows what to do if they must evacuate or shelter in place in the event of a disaster or emergency. As September is Emergency Preparedness Month, we want to use this month's Newsletter to remind you of the services that are available to assist you in the event of a disaster.

The devastating hurricanes and wildfires of 2017 and 2018 serve as a reminder of the importance of preparing for disasters. Often, we are on the front lines, providing information to affected communities and it is imperative for us to be resilient in order to maintain our business operations in the face of disaster. CBS has contracts with Belfor Property Restoration and Foster Fuels to help us remain in operation during a disaster and to restore operations afterward, if needed.

CBS is a Red Alert Customer of Belfor Property Restoration. As such, all locations are entitled to a both pre-loss planning meeting and post-loss emergency response services. Post-loss services are invoiced in accordance with a negotiated fee schedule. To schedule a pre-loss assessment, contact David Templeman, david.templeman@cbs.com. After a loss, Belfor Red Alert customers receive priority response in a regional catastrophic event (hurricane, flood, earthquake, etc.) ahead of any others requesting emergency services. They can be reached around the clock, 365 days a year, at 800-856-3333. When calling, identify yourself as a CBS location.

Foster Fuels guarantees fuel delivery and on-site dispensing (including into vehicles) surrounding a critical event anywhere in the continental U.S. They are FEMA's prime emergency fuel contractor, which aids them in gaining quick access to affected geographic areas. Their telephone number is 800-344-6457.

Our annual EHS&S Council Meeting is scheduled for October 10th at Blackrock.

Members of the EHS&S Council are as follows:

JEFF BIRCH

VP Engineering, WCBS-TV

ELIZABETH CASANAS
